

Men of Color Initiative Dialogue Necessary Narratives

Special Guest

ACES | Dean Roland A. Flores

Originally from Costa Rica, Dean Flores holds a Ph.D. in Grain Science and a master's degree in Agricultural Engineering. He has a long career in teaching, research, extensive programs, and many years of experience with federal agencies. Being the first in his family to attend college and having navigated various aspects of the US education system, Dean Flores is committed to continually increasing opportunities for students at NMSU.

Thursday, November 30th
